Billowing clouds of black smoke swirl skyward as flames burst through the roof of the Hall's Lake Cafe in Stanhope Township. The business was destroyed in the conflagration Thursday. Four firemen were injured battling the blaze.

Juniors claim championship

The Haliburton Juniors have captured a come from behind play-off victory to cap the Haliburton County Ladies Softball season.

The win came Monday night in Haliburton, as the team surged to a 7-3 win over Minden Dixie Lee to take the best of five series three games to two.

It was an exciting play-off with the Minden team

taking a 2-1 advantage into the game played last Tuesday (August 6) in Minden. The Haliburton team came up with a strong performance, defeating their hosts by a 9-5 margin. The fans were treated to some great baseball throughout the series. Last Tuesday, exciting double plays, executed by Rhonda Wilson and Marla MacNaull, and excel-

lent batting by Pam Iles and Miriam Smith kept the fans on the edge of their seats.

It was a classic confrontation Monday of this week as both teams carried a two win record onto the field. The Minden squad was unable to stop the high flying Haliburton team who earned a convincing victory

Fire destroys store

A section of Highway 35 was closed to traffic on Thursday, during a noon hour blaze which destroyed Hall's Lake Cafe and Crafts. Four members of the Stanhope Fire Department were taken to hospital suffering from heat exhaustion after fighting the fire for over an hour. Danny Stiver and Jim Lawr were treated at Haliburton Hospital and released the next day. Firefighters Dale Macdonald and Jim Moore were treated for heat exhaustion at Minden hospital and released the same day. Moore was also treated for smoke inhalation and first degree burns.

According to Jim Garber, who, along with his wife Cathy, took over ownership of the restaurant in December, the fire began sometime before noon. After smelling smoke, Cathy Garber walked to the rear of the building and spotted smoke rising from the garage which was used as a storage room. She alerted Jim who entered the garage and found the space filled with dense black smoke and the ceiling in flames. He immediately evacuated the building and telephoned the Stanhope Fire Department.

The fire spread so quickly that the couple were unable

to save any personal possessions from their living quarters above the restaurant.

When the fire department arrived seven minutes after the call was received, the flames had spread to the main part of the structure. Within minutes, the highway was closed and traffic rerouted around Hall's Lake.

Firefighters emptied the water from the tanker into a 1500 gallon portable tank set up on the highway and began to ferry water from Duck Point on Hall's Lake. Using portable water pumps, firemen directed streams of water on to an adjacent building and a large propane tank at the rear of the restaurant.

Because the water was not being replenished quickly enough, tankers from Dysart et al and Minden fire departments were called in, but by the time they arrived, the fire was out of control and much of the building had collapsed.

In spite of the intense heat, the neighbouring buildings were not damaged and the propane tank did not ignite.

By 1:30 p.m. when the road was opened to traffic, the building was reduced to blackened ruins. The firefighters remained at the scene for several hours and continued to pour water on the smouldering rubble.

Stanhope fire chief Bob Nangle said the firefighters "Did everything right, but we didn't have enough water to stop the spread of the fire. By the time we got here, the flames were shooting through to the main part," he said.

The fire chief said later that although it was difficult to place a value on the personal possessions that were lost, the damage to the building and contents exceeded \$100,000.

Noting the main electrical power source entered the building through the storage area which contained freezers and refrigerators, Nangle said the fire may have started as a result of an electrical short circuit.

The community has rallied around the Garbers following the loss of their business and home. As part of a fund raising drive, a corn roast and barbeque will be held at Hall's Lake public beach from 1 to 6 p.m. on Saturday, August 24.

Council agrees to land use study

Stanhope Township Council has agreed in principle to a proposed land use study on property surrounding Halls Lake.

Council agreed to the proposal put forth by a 12 member delegation representing Halls Lake ratepayers at the regular meeting of Council on August 7.

The delegation also presented a request to have an interim control bylaw passed by the municipality to put a freeze on a proposed trailer park on property owned by Doctor Thomas Offen of Toronto.

The request was contained in a letter from lawyer Carol Albert of the law firm Gardiner, Roberts. The letter asked that "Council impose a temporary freeze on the establishment of trailer and related uses on certain lands presently zoned SC (seasonal-commercial) in order that Council may have an opportunity to review present land use planning policies of the Township regarding trailer uses in and around Halls Lake."

The letter notes that once a review has been completed appropriate amendments could be made to zoning bylaws if necessary.

Addressing concerns raised by Council at the meeting with ratepayers and Carol Albert on July 24, the letter argues that limiting the scope of the interim control bylaw to one property would not be discriminatory since the

provincial Planning Act gives municipalities "the power to single out a particular area without affecting other areas which are zoned similarly."

Citing three Supreme Court of Ontario decisions, the author of the letter commented, "By their nature, all zoning by-laws are discriminatory," adding that although such bylaws have been struck down because they discriminate for the wrong reasons the bylaw proposed for the Halls Lake property would not be unlawfully discriminatory.

It was also pointed out in the letter that landowners can appeal interim control bylaws before the Ontario Municipal Board.

Following the reading of the lengthy letter, Elaine Burbidge a member of the delegation commented that Council members had said in previous meetings that their hands were tied in that they could not legislate against the development of the trailer park, because it does not contravene any zoning bylaws. Referring to the Supreme Court decisions on interim control bylaws, Mrs. Burbidge commented, "Council's hands have been untied."

Several members of the delegation noted there was strong support for an interim control bylaw and a land use study. Mrs. Burbidge told council the

(more on page 7)

Legion hosts Drumhead service

Representatives of the twelve Royal Canadian Legion branches in Zone "F" took part in a Drumhead Service in Haliburton on Sunday.

As spectators lined the main street, the Legion members, led by a colour party and the Branch 129 Pipe Band, marched from the Legion Hall to the Cenotaph to begin the ceremonies.

Following the laying of wreaths and the playing of The Last Post and Reveille, the parade continued to the bandshell in Head Lake Park.

In a ceremony that commemorates church services held on battlefields, four drums were stacked on the ground and draped with flags to form an altar.

Following the Invocation by Branch Padre Lloyd Johnson and the singing of hymns, Victoria-Haliburton MP Bill Scott, extended greetings from the Minister of Veterans' Affairs, George Hees, and commended the Royal Canadian Legion for community work as one of the largest service organizations in Canada.

Addressing the Legion members and the many members of the public who lined the hill in front of the bandshell, District Commander Paul Hycha, reminded the audience that 114,000 Canadians died in

Parade Marshall Bob Clayton accepts a flag from a member of the colour party during the Royal Canadian Legion Zone F Drumhead Service held Sunday in Haliburton.

two World Wars and the Korean War in the service of their country. He noted the occasion nearly coincides with the anniversary of the raid on Dieppe, France, which took place August 19, 1942.

Of the 6000 troops who took part in the raid, 5000 were Canadians. Of those, 907 Canadian troops were killed and only 2210 men returned to England.

The Royal Regiment suffered the worst defeat in

history the Commander said, as 220 men were killed and the remaining members of the regiment captured.

Commander Hycha said he had no intention of debating the merits of the controversial raid which many historians have described as "an unnecessary slaughter."

"This is a service of remembrance. Many died; many were wounded and many spent the rest of the

war as prisoners," he said. "We owe them our respect and gratitude."

He added, "As long as we continue to hold these services of remembrance, we will be living up to our duty."

After the temporary altar was dismantled, the parade returned through town to the Legion Hall for a social gathering.

New HHSS VPs appointed

Rosemary Kenney and Ken Rydman have been appointed vice-principals of Haliburton Highlands Secondary School for two year terms. The appointments were made on Tuesday, August 6, by the Haliburton County Board of Education following interviews with five candidates.

Mrs. Kenney has supervised the Family Studies Department for the past ten years at HHSS and has been involved with the Guidance Department for six years. She taught in Toronto for three years before joining the staff of HHSS.

After graduating from Ryerson Polytechnical Institute with a degree in Home Economics she attended the University of Toronto and received a B.A. in Sociology and Psychology and a Master of Education diploma in Guidance and Counselling.

Mr. Ken Rydman has been the head of the Guidance Department at HHSS since joining the staff eight years ago. He graduated from Queens University with Bachelor degrees in

Arts and Physical Education and taught in Kingston before moving to Haliburton.

In addition to their administrative duties the vice principals will continue teaching on a half time basis.

No witchcraft in the Highlands

A Gelert housewife has been banned from practising witchcraft ... well sort of.

Caryl Douglas, a well-known member of the Highlands Little Theatre group, offered her services last week to the local Home and School Association in Haliburton to act as a fortune teller at the Haliburton Rotary Summer Carnival. It was a role she had played before at CHACE Place events, helping to raise funds for the child and parent drop-in centre located in Haliburton. "It was always a fun sort of thing," Caryl commented, "mainly aimed at the children. I would tell them they would meet a handsome prince and imaginary things like that. The children seemed to think it was a lot of fun."

However, Caryl's career as a fortune teller came to an abrupt end last Wednesday. Dressed in her Gypsy costume, and with the approval of the Rotary Club of Haliburton, she set up her Home and School Association fortune telling tent at the summer carnival on the midway. Her presence was not appreciated by the other operators on the midway, however.

Citing section 323 of the Canadian Criminal Code, Pretending To Practise Witchcraft Etc., in which it states that it is an offence to tell fortunes for a consideration, they told Caryl her booth was not welcome on the midway. The midway operators were so adamant that the fortune teller would not appear on the midway that they dismantled the tent and told Caryl to move on.

Caryl was somewhat taken aback by their actions, but then, as a fortune teller, she of course knew, it was going to happen anyway.

Derby nets over 50 pounds

Over 50 pounds of rock bass were pulled from the Gull River on Saturday during the second annual rock bass fishing derby sponsored by the Minden Business Improvement Area (BIA). The event is held in conjunction with the community's annual sidewalk sale, with merchandise and cash prizes being awarded to the top ten anglers turning in the best aggregate weight.

There were 12 entries this year, although many of the anglers pooled their catches during the day and entered them under a single name.

Top prize for the best weight went to Tim Robinson and family who brought in 18 pounds and 7/16 ounces in rock bass.

A special prize for the largest bass netted during the day was awarded to Lindsay Barker of Oshawa. Her biggest rock bass measured 9 1/4 inches in length. The cash prize was donated by Gord Monk.

Chairman of the Minden BIA, Stu Brandon, explained that the derby provides a fun family activity during the day, but also assists the local business association in their fish stocking efforts, he noted, in co-operation with the municipality, the BIA has been planting rainbow trout in the river. "Rock bass are voracious eaters and can hurt our fish stock efforts. By holding the annual derby we can cut down on the predator's population, while providing an enjoyable day for the youngsters and family."

The merchandise prizes were donated by Minden merchants while the more than \$100 in cash prizes were provided by the BIA.

Youngsters keep a keen eye on the scales as BIA Director Gord Monk weighs one of the catches following the annual Rock Bass fishing derby.

The results of the day's fishing are as follows: Tim Robinson of Minden, 18 7/16 pounds; Mike Gillespie of West Hill, 8 15/16 pounds; Jarrett Gentle of Minden, 5 5/16 pounds; Simon Prentice of Minden, 4 12/16 pounds; Grant Wilson of Minden, 4 7/16 pounds; Jeremy Phillips of

Minden, 3 11/16 pounds; Christopher Fitzell of Toronto, 2 5/16 pounds; Julie Ann Adam of Minden, 1 14/16 pounds; Lindsay Barker of Oshawa, 1 8/16 pounds; Adam Bureau of Minden, 1 2/16 pounds;

Robert Kenney of Minden, 1 1/16 pounds; Darcy Hayes of Toronto, 13/16 pound.

All the participants received a merchandise prize with cash prizes going out to the top ten anglers.

Caution needed

The spectacular fire which destroyed the Hall's Lake Cafe last week tested the abilities of firefighters from the departments in Stanhope, Minden and Haliburton. The firefighters worked under the intense heat of the conflagration, the heat of the blazing sun and on the edge of one of the county's major highways.

The fire also drew a large number of spectators, most of whom kept well back from the blaze. However, we have noted at the scenes of some fires that the onlookers risk their own safety by crowding too close to the action. In particular, this past week, a large propane tank created a potentially lethal situation for bystanders.

The natural curiosity of those drawn to the scene of a fire should be tempered with an understanding for safety as well. Crowding too close can also impede the efforts of firefighters and their support staff. Those not involved in fighting a blaze or providing auxiliary services, should keep well back - the firefighters need to concentrate on their own efforts and safety without having to worry about the safety of spectators as well.

Speak out

In addition to providing information about the community we serve, an important duty of this newspaper is to comment on issues of the day. We invite our readers to speak out as well, on matters they feel need airing.

Letters to the editor attract high readership, offer differing points of view on issues of importance and offer the opportunity for a free exchange of ideas, a vital part of a democratic society. This newspaper will always respect the right of citizens to be heard, within limits dedicated by legal restrictions and good taste. We ask that writers be willing to allow their names to appear with their letters.

Editor:

Last week I had a most rewarding business experience in Minden.

The canopy on our ski-boat needed some fine repair, so I took it to "The Cobbler" in your community. There, both members of the staff went out of their way to try to provide me with the necessary parts to complete the repairs. In addition, the charges were bargain priced.

I came away wanting to let your business community hear from a most satisfied shopper.

My family has summered in Haliburton over twenty-five years and we always are happy to visit Minden stores.

Clem Cassidy,
(call me "A Happy Cottager")

Editor:

Each summer we hear reports of the indiscriminate destruction through forest fires of Canada's forest, plant and animal life. Recently in British Columbia alone, nearly 1000 fires, some of them raging unabated, have been reported. This is a national disgrace!

Undoubtedly, those who are assigned to put out such fires deserve more recognition than they are getting. At times they must feel quite unprepared and ill-equipped to handle a seemingly impossible task. Apart from these fire fighters, it appears that Canadians generally are relatively indifferent to this wanton waste of a major, natural resource. Unless our

immediate area is being threatened, we seem to think that our resources are either infinite or can be quickly replenished.

Considering that our planet's primary forests are fast disappearing, should not Canadians do much more to protect the forests and other forms of life from the ravages of fire? Annually large sums of money are spent to train and equip Canada's Armed Forces to fight a potential enemy. Still each year many hectares of our forest lands and their inhabitants are attacked and destroyed before the military becomes actively involved.

Should it not be mandatory that our Armed Services' personnel be appropriately trained, equipped and on instant alert to fight also forest fires anywhere in Canada, and, if necessary, elsewhere in the world. The billions of tax dollars being presently used in the name of defence would then offer us at least more protection against one of earth's big, natural enemies.

Gerry Feltham,
R.R. 1,
Minden.

Editor:

On behalf of the Peterborough Region CAT Scan Fund, I want to take this opportunity to sincerely thank all the residents and friends of Haliburton County for a very successful CAT Scan campaign. Our special appreciation to

letters

the co-chairman Mr. Jack MacDonald and Mrs. Mabel Brannigan for organizing and running a great campaign.

Haliburton County has raised over \$30,000.00 to date. The overall Grand Total is now \$1,903,410.80.

This regional CAT Scan campaign has been exciting and your participation and interest has certainly been outstanding.

Again, congratulations on a job well done!

Jerry Peters,
Campaign Co-ordinator.

Editor:

I have now decided on the final answer to the problems of mankind.

The blame is on the women. This mess we are in is because the women of the world have not been allowed to be united through communication of thought and deed. The women raise the men, therefore the men are our creation. The mess made by men is our fault. We have not taught them from birth to be gentle, loving, responsible men.

We women have made fools of everyone.

We have dropped the ball by taking so long to realize the fault is our own.

Therefore, my solution to the problems of the world, is to take the responsibility of my kind, and to spread the right attitude to as many women as I can.

The world is a small place and the "pebble theory" shows clearly how from one

Federation of Ontario Naturalists

It's a land of tulip trees and sassafras, magnolia and Kentucky coffee. Lotus and flowering dogwood grace pond and forest with spectacular bloom. Striking blue butterflies and hand-sized giant swallowtails flit through the fowls. Tropical-looking egrets, red-bellied woodpeckers and fabulous blue and yellow birds shriek unfamiliar songs. Opossum climb while prickly pear cacti bloom.

Carolinian Canada is a strange, but real, part of this country's heritage. So much so, that the Federation of Ontario Naturalists have just published a special issue of its journal, SEASONS, devoted entirely to the region and its conservation.

Often referred to as the banana belt of Canada, it is a narrow strip, perhaps 30 km wide, extending along Lake Erie's north shore, and east to about Toronto. Cradled by the lower great lakes - which act as a giant heat sink, softening extremes of heat and cold - the strip enjoys a moderated climate, warmer than the rest of Canada.

The product is one of the richest arrays of plant and animal communities in all of Canada. Worked into the matrix of oak and maple dominated forests are about 2,200 species of vascular plants. Included are trees like papaw and black gum, at the northern edge of their limit, jungle-like growths of Virginia creeper and wild grape vines, and a rich array of flowering plants with names like blazing star and bluehearts.

Over 400 bird species have been spotted, about 200 of which are known to nest in the area. Many - like prothonotary and blue-winged warblers, yellow-bellied cuckoo and red-bellied woodpecker - are not only beautiful, but also unknown to most Canadians.

While most of Canada can expect perhaps 8 - 12 species of reptiles and amphibians, the Carolinian zone boasts nearly 50. Included are such "exotics" as spiny soft-shelled turtle, the Lake Erie water snake - found nowhere else in the world, and giants like the 5-foot fox and black rat snakes.

Gray fox, and badger - fully 1/3 of Canada's rate, threatened and endangered species exist in this region.

After almost 200 years of human 'nibbling' - for timber, agriculture, urban development and a host of other landuses - these once-vest systems have been converted to a patchwork quilt of natural areas amid a sea of human-uses. All counties are below 20% natural cover, and some townships are now approaching zero. yet, many fine areas survive; and can survive.

Some of the finest areas have been acquired and set

(more on page 5)

Legion introduces designated driver program

Members of Royal Canadian Legion Branch 129 are being asked to take part in a volunteer program designed to reduce alcohol related traffic accidents.

The Designated Abstaining Driver programme (DAD) was initiated on Saturday at the Legion Hall in Haliburton.

Gerald Irish, public relations officer, said the DAD programme was the

result of growing concern over the dangers of impaired driving and had been originally suggested by Branch 129 president Joan Irish.

He explained that the program encourages groups who spend social evenings at the Legion Hall to select one person as their DAD. That person will be given a button identifying him or her as a DAD and will be treated to non-alcoholic drinks during the evening as a guest of the Legion. That member will then be responsible for driving the other members of the group to their homes.

Mr. Irish encouraged the members to "Call on DAD. He is dependable and reliable and he will always make sure that everyone gets home safely."

His opening remarks were followed by a demonstration of an Alcohol Level Evaluation Roadside Tester (ALERT) by Constable Dave Rogers of the Minden detachment of the Ontario Provincial Police.

Constable Rogers, a trained breathalyser technician, explained the ALERT device gives an

indication of the degree of impairment of drivers.

A breath sample will trigger one of three lights. A green light shows the driver is not impaired; an amber light warns that the driver is

close to impairment and a red light indicates the driver has failed the test and must submit to a breathalyser test at the police station.

Constable Rogers re-

minded the members that it takes six hours for one to eliminate one ounce of alcohol from a person's bloodstream.

Drivers have been found to be impaired at nine o'clock Sunday morning even though they stopped drinking at midnight, he said. He noted also that although people can develop a tolerance to alcohol, it will still affect reflexes and

vision and therefore affects driving ability.

Following the demonstration of the ALERT device, Branch president Joan Irish said that although the program was voluntary, she hoped that members would participate.

Zone Commander Mel Robertson, added a strong personal endorsement to the program. He cited the example of a member of the

Legion who was involved in a traffic accident after drinking at a Legion branch one evening. The accident resulted in the deaths of five people. The impaired driver was sentenced to a prison

term. Robertson said, "And there was no way that he could ever make up for the loss of those people. He will have to live with that for the rest of his life."

letters

(from page 4)

cast stone, the ripple reaches the furthest shore.

So, I take it upon myself to teach others. The men we train as boys will be the men that rule our lives, as we age and die. We must realize that in order to teach non-violence, we must show non-violence. In order to teach respect, we must give respect. To have men filled with love for this earth and its animals, including us, we must teach love.

For women to raise "real men" she must be a "real woman." The truth of reality is very simple. We have not been passing this on from one woman to another. Out of fear for the power of men, we have sat back, waiting for men to change men. This is not where the boys who become men come from. They first have to come from their women folk; cousins, sisters, aunts, grandmothers, godmothers, friends and mothers. Ms. No Wiebe, Minden.

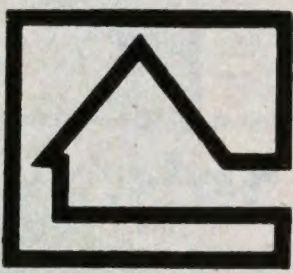

Outdoors

(from page 4)

aside, as Point Pelee National Park, as provincial parks like Rondeau, Turkey Point, and the legally-just-created Short Hills Park near St. Catharines. Others have been set aside as Conservation areas or national wildlife areas.

But the vast majority remain in private hands. It's encouraging to see government and nongovernment organizations - like the World Wildlife Fund, Nature Conservancy of Canada, the Ministry of Natural Resources and Ontario Heritage Foundation, all cooperating with support from funds like the Richard Ivey and McLean Foundations, to identify and acquire key, vulnerable areas.

But most important is continuing stewardship by many patriotic and far-sighted landowners. As example after example has shown, individual landowners are often the finest stewards, and this region's richness will depend upon their dedication.

Blooms for youth

Minden youth representing a variety of clubs and organizations were in attendance Thursday evening for the opening of the annual Minden Horticultural Society's Flower and Vegetable show. Their presence highlighted the theme of this year's show, A Bouquet to Youth. The society chose the theme in recognition of the International Year of Youth.

The youngsters participated in the opening ceremonies of the show, being introduced individually with their affiliation being noted. Master of Ceremonies, Illa Cooper praised the youths for their dedication to the groups they represented and the valuable contribution they are making already to their community.

A large crowd was on hand for the opening of the show. They strolled through the many exhibits, admiring the fine displays of flowers and vegetables. Junior members of the society served tea and coffee during the evening.

The following are the results from this year's exhibition:

Section A

Flower Specimens

Aster - double - V. Graham, E. Tipton, B. Fawcett.
Begonia - Tuberous - floating - R. Wilson, I. Cooper, E. Tipton.
Cleome - B. Taylor, E. Tipton, V. Graham.
Cosmos - E. Trepanier, B. Taylor, B. Fawcett.
Dahlia - Pom - B. Taylor.
Dahlia - Miniature - J. Cox, E. Trepanier, B. Fawcett.
Dahlia - Large - B. Taylor, E. Tipton, M. Hamilton.
Geranium - Reg. - J. Cox, S. Mielonen, E. Trepanier.
Gladiolus - White - E. Trepanier, E. Tipton.
Gladiolus - Red - D. Kirkwood, L. Kirkwood, E. Trepanier.
Gladiolus - Yellow - D. Kirkwood, B. Fawcett, J. Cox.
Gladiolus - Pink - D. Kirkwood, L. Kirkwood, E. Trepanier.
Gladiolus - Lavender or Mauve - B. Fawcett.
Gladiolus - any other colour - J. Cox, L. Kirkwood, B. Fawcett.
Gladioli - any colours, 3 - E. Trepanier, B. Fawcett, S. Howard.

Gloriosa Daisy - M. Ziorjen, E. Trepanier, L. Kirkwood.
Lilies - (not day lilies) - E. Trepanier, B. Taylor, L. Kirkwood.
Marigold - large - double - M. Ziorjen, L. Roland, M. Hamilton.
Marigold - medium - double - J. Cox, S. Mielonen, M. Ziorjen.
Marigold - small - double - S. Mielonen, B. Fawcett, M. Ziorjen.
Pansies - bowl of pansies - E. Tipton, L. Kirkwood, S. Poppel.
Petunia - single Multiflora - M. Ziorjen, J. Cox, E. Tipton.
Petunia - single Grandiflora - M. Ziorjen, I. Cooper, G. Elliott.
Petunia - double - B. Taylor, J. Cox, M. Ingram.
Phlox - perennial - R. Wilson, S. Mielonen, J. Cox.
Phlox - annual - I. Cooper, B. Taylor.
Rose - Hybrid Tea - B. Taylor, M. Ingram, E. Trepanier.
Nasturtium - M. Hamilton, B. Taylor, S. Mielonen.
Salvia - any variety - I. Cooper, M. Ziorjen, J. Cox.
Snapdragon - any variety

- B. Fawcett, M. Ingram, E. Tipton.

Stocks - B. Taylor (2nd)
Sweet Pea - annual - B. Fawcett, S. Mielonen, E. Tipton.

Any Annual, not previously listed - B. Taylor, E. Tipton, J. Cox.

Any Perennial, not previously listed - E. Tipton, L. Roland, M. Ziorjen.

Zinnia - pom pom - M. Hamilton (2nd).

Zinnia - large - M. Hamilton (3rd)

Annuals - 5 kinds - M. Ziorjen, J. Cox, V. Graham.

Perennials - 5 kinds - E. Tipton, V. Graham, I. Cooper.

Section B Fruit & Vegetable Specimens

Beet - D. Kirkwood, L. Kirkwood, B. Taylor.
Carrot - L. Kirkwood, D. Kirkwood.
Onion - cooking - B. Taylor.
Squash - any variety - L. Kirkwood, D. Kirkwood, V. Graham.
Green Beans - 12 - B. Taylor, S. Mielonen, D. Kirkwood.
Yellow Beans - 12 - R. Wilson, J. Cox, L. Kirkwood.
Any other vegetable - L. Kirkwood, V. Graham, J. Cox.
Any other fruit - B. Taylor, E. Trepanier, M. Ziorjen.

Section C House Plants

Potted Coleus - M. Ziorjen, S. Mielonen, I. Cooper.
Tuberous Begonia - M. Ziorjen, J. Cox, E. Tipton.
African Violet - single - I. Cooper, P. Harrington, J. Cox.
Geranium - in bloom - E. Deacon, S. Mielonen, M. Ziorjen.
Fern - any variety - P. Harrington, S. Mielonen, L. Kirkwood.
Any hanging foliage plant - not blooming - J. Cox, M. Orpana, S. Mielonen.
Any hanging flowering

A novel display in the Sports Unlimited category.

plant - S. Mielonen, G. Elliott.

Any other potted house plant, not a hanging type - H. Deacon, S. Poppal, I. Moore, E. Deacon, E. Tipton.

Witches Brew - collection of 3 potted herbs (pots not over 5") - different - named - displayed - M. Ziorjen, E. Trepanier.

Section D For Men Only (prizes donated by merchants)

"Use Your Head" - T. Hurtt, prize by Minden Red & White; D. Kirkwood - prize by Minden Red & White; B. Harrington, prize by The Pine Shop.

"Green Thumb" - D. Kirkwood, prize by A & J Office Equipment; V. Graham, prize by Adamson Law Office; G. Elliott - prize by Big Jer's.

Section G Decorative i.e. arrangements, etc.

"Hello World" - M. Hamilton, prize by Payne's Real Estate; M. Ziorjen, prize by Campbell's Garden Centre; B. Taylor, prize by The Storeroom.

"Birthday Party" - I. Cooper, prize by Home Hardware; M. Hamilton, prize by Sandalwood Gift Shoppe; L. Roland - prize by Highland's Plumbing.

"The Young Attendant" - E. Trepanier, prize by Vasey's Insurance; M. Hamilton, prize by Minden

Collision; L. Roland, prize by Mabel's Cut 'n Curl & The Brown Owl.

"School Days" - E. Trepanier, prize by Moynes Furniture; J. Cox, prize by Cox's Apparel; E. Tipton, prize by Highlands Jewellery & Gift Shoppe.

"First Love" - E. Trepanier, prize by Lutterworth Feed 'N Bait; L. Roland, prize by Gambell Motors; I. Cooper, prize by Minden Drug Store.

"Graduation" - E. Trepanier, prize by Dollo's I.G.A.; M. Ziorjen, prize by Dixie Lee; I. Cooper, prize by Country Fabrics.

"Sports Unlimited" - E. Trepanier, prize by Minden Shell; I. Cooper, prize by The Times; G. Elliott, prize by Northland Sales.

"When You and I Were Young" - R. Wilson, prize by The Pine Shop; E. Trepanier, prize by The Times; C. Lacey, prize by Beaverbrook Golf.

"Your Choice" - M. Ziorjen, prize by Coneybeare's Butcher Shop; L. Roland, prize by Minden Drug Store; C. Lacey, prize by Prentice-Berry Ltd.

For those exhibiting for the first time - V. Graham, prize by Frontier Motors; M. Hamilton, prize by Kawartha Dairy.

Junior Garden Plots - R. Wilson, prize by Stedmans; C. Hynard, prize by Dixie Lee; M. Obee - prize by Corner Store.

Section J

Junior Exhibit (Up to 16 years)

"How Lovely" - Bouquet in a cup and saucer - C. Hynard, R. Wilson.

"A Funny Person" - made from vegetables - G. Fawcett, N. Fawcett.

"Miniature Garden Scene" - R. Wilson, M. Hamilton.

"A Flower Gift for Mother" - your choice of flowers and container - R. Wilson.

Most Points in the Junior Section - (38 points) - Camera from the Society, and a badge - International Youth Year, 1985 - Rebecca Wilson.

Judge's Choice - Best In Show - \$25.00 from Gordon Monk Funeral Home - Margot Ziorjen.

Most Points for Adults - (63 points) - \$100.00 from Minden Medical Centre - Evelyn Trepanier.

Door Prizes

Patio Umbrella by Society - D. M. Davis.

Rockcliffe T-Shirt - Dorothy Webert.

Highlands T.V. & Antenna - Video & 2 films - Mary Hamilton.

Pine Knife Rack from Riverview Furniture - Mrs. Robinson.

Shoes & Leather - Super Sac - Marjorie Hausen.

Dominion Hotel T-Shirt - Jill Scott.

Youngsters examine one of the many displays at the Horticultural Society show.

80 challenge white water

The top paddlers from across Canada took on the rushing waters of the Gull River at Minden Wild Water Preserve this past weekend, during the Canadian National Slalom White Water Championships.

Eighty competitors representing Ontario, Quebec, British Columbia, Alberta, the Yukon and the Maritimes took part in the premiere kayak and canoe event in the country.

On Saturday, over 1500 people lined the banks of the river along the 800 metre slalom course to watch the young athletes fight the strong current while negotiating a series of gates under the watchful eyes of the judges.

Patrice Gagnon of Quebec took the top honours in the senior kayak event in a field of 24 competitors.

Luc Menard also of the Quebec contingent was the top junior kayak racer defeating 14 fellow paddlers in his class.

Anne Boulding of British Columbia had the best time in the women's kayak race.

In the two man canoe race, Daryl and Dale O'Brien paddled to a gold

medal. Martin Villeneuve was the top finisher in the single canoe event.

Following the medal round, the members of the provincial clubs joined

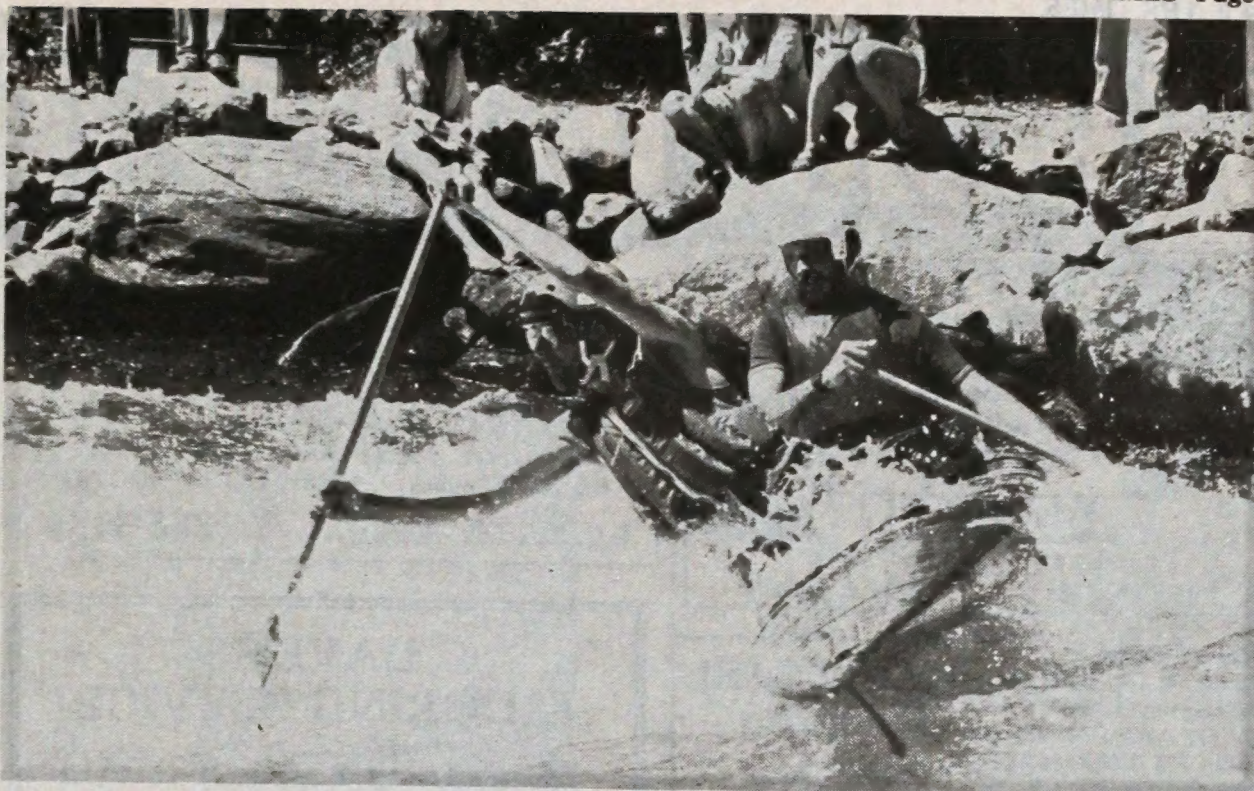

forces to form 19 teams and competed in five separate events.

On Sunday the sport of Rapide Racing was introduced to Canada. The event is the latest racing craze in Europe and is open to downriver and slalom boats.

The event is simply a downriver race run on a short slalom course with the gates removed and was run more as a fun event than a serious competition. Nevertheless, 35 entries showed as much determination in trying to cover the course in the fastest time as they did in the medal rounds on Saturday.

The Race Committee Chairman Robert Grosse called the two day event an unqualified success. He acknowledged the efforts of Parks Canada in providing a water flow suitable for the National Championships and made special mention of the assistance of Anson, Hindon and Minden Acting Reeve Ed. Pergolas, Acting Deputy Reeve Gary Kenney and Councillor David Stevens in co-ordinating arrangements for parking, the bus shuttle and traffic control.

The Minden White Water Preserve will be the site of the Open Canoe White Water Slalom races on Sunday, September 8 and the Provincial Slalom Championships on Sunday, September 29.

Participants strain at their paddles as they manoeuvre their craft against the tricky white water currents.

Water levels

Increased flow from the tributaries had halted the decline of the Kawartha, and was showing some increase indicating less need for water. Consequently on Wednesday, August 7, the flows were reduced from the Haliburton lake area lakes. As it happened, a significant rainfall of about 25 mm came that day in the Kawartha area and boosted these lakes some 2 cm. This water was held, of course, to delay drawing more from the reserve lakes.

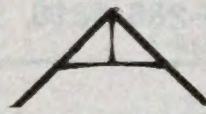

On August 6, there remained 72.9% of the maximum average reserve which was down 5.1% from 8 days earlier and only about 1% above the 10-year average for this date.

The Wednesday rain

helped Lake Simcoe-Couchiching with a boost of about 2 cm, and it is now holding about 2 cm above the rule curve for this time of year.

Severn River flows from it to Georgian Bay are averaging only slightly less than the long-term average for August.

Hall's Lake study

(from page 1)

Halls Lake committee had been told by representatives of the Ministry of the Environment and several other government departments that assistance would be available to carry out the study.

It was also noted that a petition bearing the signatures of 181 ratepayers opposed to the proposed trailer park had been presented to the municipality along with 49 letters objecting to the proposal.

Addressing concerns raised by council members over the cost of a land use study, a Mr. Campbell noted such studies need not be expensive. The Official Plan Study carried out by the Municipality of Anson, Hindon and Minden had cost \$30,000, he said, and half the funds had been provided by the federal government.

The study was important, Mr. Campbell said, because of the potential for a very

high population density on the lake. Presently, he said, there are 400 cottages on 10 miles of shoreline around the lake. The proposed trailer park could increase the number of residents by 25% on a property that has only 300 ft. frontage.

Mrs. Burbidge summed up the feelings of many members of the delegation when she commented, "We don't want to deny Doctor Offen the right to use his property. We feel he should be able to get a reasonable return for his investment," but added a trailer park housing 100 or more units was not a reasonable proposal and would have a very detrimental effect on the area.

In response to the requests of the delegation, Councillors Dale MacDonald and Ann Barker said that Council must act in the interest of the municipality and regardless of their own personal views must proceed with caution.

Councillor MacDonald

argued that before Council proceeded the municipal solicitor should be consulted over the legality of the interim control bylaw because of the possibility that it is discriminating.

Reeve Harry Davis agreed and promised to confer with Jim Cruickshank, the municipality's solicitor, as soon as possible. He informed the delegation Council had been unable to consult with the solicitor since receiving the letter from Gardiner, Roberts because Mr. Cruickshank was on holidays.

While willing to accept Council's reluctance to pass the bylaw the delegation pressed for a commitment to carry out the land use study. Council saw merit in the request, and passed a resolution agreeing in principle to the proposal to have a study carried out on the establishment of a trailer park on lands zoned seasonal commercial around Halls Lake subject to feasibility and funding.

One of the more imaginative floats in the annual Haliburton Rotary Club summer carnival was this entry from Cover-all Enterprises of Haliburton. The float depicted the popular children's nursery rhyme *The Old Lady who Lived in a Shoe*.

Sale a success

Minden and area merchants held another successful Sidewalk Sale in the core area of the community Saturday. Despite blistering temperatures, thousands of shoppers filled the Main Street mall to take advantage of special bargains and to be a part of the carnival atmosphere of the day.

The Times sponsored a free draw for those purchasing subscriptions during the one day extravaganza. Winners of the \$50 gift certificates were: Mrs. R. Valentine, Mrs. R.F. Hurrell, G. Dawkins, Mrs. E. Niemela and Martha Harding, all of the county. Congratulations to them and thanks to everyone who helped to make the Sidewalk Sale a tremendous success.

Haliburton Juniors pose for a team portrait before going on to win the 1985 Haliburton County Ladies Softball Championship Monday in Haliburton. Team members include, from the left, front row: Pam Iles, Miriam Smith, Tara Davies, Tracy Harrison and Sue Ballantyne. Second row: Coach Scott Arbuthnot, Marla McNaull, Melissa Creelman, Wendy Ballantyne, Marg Smith, Michelle Harrison, Jodie McKnight and coach Mike Hatkoski.

Haliburton takes league title

(from page 1)

and the championship. A large crowd of spectators saw the Haliburton Juniors hold the Minden Dixie Lee team scoreless for the first two innings before earning

two runs off the bats of Laurie Brown and Rhonda Wilson. Three more scoreless runs followed before Helen Burk added one more run.

The big bats for the Junior team produced one

run in the first inning, four in the second and two in the third. Miriam Smith and Marg Smith had great nights at the plate and the whole team came up with a solid defensive effort.

The Minden team was

able to hold the home team scoreless for the last three innings, but the damage had been done and the 1985 Ladies Softball League play-off was history.

Both teams turned in an excellent effort through the season and play-offs providing the fans with an exciting display of baseball.

Other series

In the bottom half series, Gooderham leads Wilberforce by a 3-1 margin. This best of seven play-off continues in Gooderham tonight.

Hustlers lead Lindsay

The Minden Rockcliffe Hustlers travelled to Lindsay on Monday night and came home with a one to nothing lead in the first game of the best of five series with the Lindsay Kent Tavern Trojans. This is the final series for the Tri-County Championship.

The Hustlers got off on the right foot in the first inning as Barry Hammond singled and Greg Newell slammed a home run for an early 2-0 lead. The game remained at this score until the last of the fourth when Kent Tavern came up with two runs to tie the score.

In the top of the sixth the Hustlers scored one run on three straight singles for a 3-2 lead, then in the seventh after Dave Dollo and Rick Hartwick had singled, Barry Hammond homered to give the Rockcliffe Boys a 6-2 lead.

Jack Snell shut down the Lindsay boys in the last of the seventh to take the win. Ron Sharman took the loss for the Trojans.

Big guns at the bat for the Hustlers were Greg Newell with a homer and three singles (a perfect 4 for 4 at the bat) and Barry Hammond with a homer and a single.

The next game in the series is on Wednesday night (August 14) in Minden at

8:00 p.m. Let's get out and give the boys a boost toward their fourth straight championship.

CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT: and IN THE MATTER OF a proposed By-law of the Corporation of the Township of Lutterworth to stop up and close certain portions of the 66-foot 'unopened' Original Shoreline (Marine) Allowance for Road along the shoreline perimeter of Deep Bay/Gull Lake, in front of Part of Lot 18, in Concession 10, in the Township of Lutterworth and to convey the aforesaid Shoreline Allowance portions to the abutting property-owners.

NOTICE IS HEREBY GIVEN, pursuant to Section 301 (1) (a), of The Municipal Act, R.S.O. 1980, that the Council of the Corporation of the Township of Lutterworth proposes to consider and, if deemed advisable, to pass at its Regular Meeting to be held at the Council Chambers, 3 miles south of Minden, on Highway No. 35, on Thursday, September 19th, 1985 at the hour of 7:00 o'clock p.m., a By-law to stop up and close the parcels of land more particularly described as follows: -

SCHEDULE "A"

ALL that part of the sixty-six foot Original unopened Shoreline Allowance for Road along the shoreline of Deep Bay/Gull Lake, in front of Part of Lot 18, in Concession 10, in the Township of Lutterworth, in the County of Haliburton, designated as Parts 1, 2, 3, 4, 5 and 6 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan 19R-3302.

AND, in addition, to convey Part 1 on Survey Plan 19R-3302 to the owner of the abutting Instrument Number 130719.

AND to convey Part 2 on Survey Plan 19R-3302 to the owner of the abutting Instrument Number 82437.

AND to convey Part 3 on Survey Plan 19R-3302 to the owner of the abutting Instrument Numbers 82436, 2516 and 26452.

AND to convey Part 4 on Survey Plan 19R-3302 to the owner of the abutting Instrument Number 26453.

AND to convey Part 5 on Survey Plan 19R-3302 to the owner of the abutting Instrument Number 89197.

A copy of Survey Plan 19R-3302 is attached to the proposed By-law and may be viewed at the Lutterworth Municipal Office during normal working hours.

AND TAKE FURTHER NOTICE that, before passing of the said By-law at its meeting to be held at the time and place above-mentioned, the Council of the Corporation of the Township of Lutterworth, shall then and there hear in person, or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Lutterworth this 30th day of July, 1985.

Mr. Wayne D. Hughes,
Clerk-Treasurer,
P.O. Box 176,
MINDEN, Ontario

Kickers lose to Parry Sound

Dixie Lee goaltender Andrew Shapiera is airborne as he blocks a corner kick during the Sunday afternoon game in Minden. Members of the team, in striped jerseys, surround the goalmouth ready to clear the deflected ball.

The Haliburton Dixie Lee soccer team played their last home game of the season on Sunday in Minden and lost the closely played contest 2-1.

The visiting team from Parry Sound opened the scoring midway through the first half when a forward broke through the Dixie Lee defence and got around goalkeeper Andy Shapiera who had moved out to block the shot.

Just before half time, Tim Davies evened the score on a hard drive from 15 yards out.

In the second half, Haliburton found the net again but the point was called back because the ball had bounced off a Haliburton player's arm. Parry Sound went ahead 2-1 after scoring from a scramble in front of the Haliburton net and hung on for the victory.

The loss leaves Dixie Lee in sixth place in the league with 8 points ahead of Bracebridge Juniors and Orillia City who have 7 and 6 points respectively.

Haliburton will be competing against Orillia City on Sunday August 18. The following weekend the team will be playing in a league tournament in Bracebridge to determine the final standings in the 1985 season.

Guilford boys win annual tournament

The West Guilford boys won the Rockcliffe Invitational Fastball Tournament on the weekend, as they defeated the Toronto Coasters in the championship final by the score of 2 - 0. This gave them a perfect 4 wins no losses record for the weekend as they won the Rockcliffe Tourney for the third time in the last four years.

The Rockcliffe Hustlers came up with the consolation

championship as they downed Bradford Gray Goat Tavern in the final by the score of 5 - 1. Their record for the weekend was 3 wins - 1 loss. The only loss was against West Guilford on Friday night by the score of 2 - 0.

Scores of interest by the two local teams were as follows:

West Guilford 2, Minden 0.
West Guilford 7, Scarborough 2.

West Guilford 9, Huntsville 4.

West Guilford 2, Toronto Coasters 0.

Minden 7, Toronto Huskies 0.

Minden 8, Newmarket 3.

Minden 5, Bradford 1.

The Rockcliffe Hustler Ball Club would like to thank all the people who helped make this tournament a success and all the teams who participated.

NOTICE TO SECONDARY SCHOOL STUDENTS

Registration will take place at Haliburton Highlands Secondary School from Monday, August 26 to Thursday, August 29, 1985, during the hours 9 a.m. to 4 p.m. except on Tuesday and Wednesday. On Tuesday and Wednesday, registration will take place from 9 a.m. to 9 p.m. There will be no registration on Friday.

Registration will involve:

- (1) Purchase of combination locks if required. Cost is \$3.00.
- (2) Payment of \$5.00 Activity fee.
- (3) Assignment to Home Room and Locker Number.
- (4) Receipt of student timetable.

New students and adults interested in upgrading courses should register at this time.

School will commence Tuesday, September 3, 1985.

L.A. Hemphill,
Principal.

Jeanne Sears honoured by W.I.

Mrs. Jeanne Sears of Minden was recently honoured with a life membership in the Federated Women's Institute of Ontario.

Mrs. Sears was among four recipients of life membership pins presented at the Victoria East District Annual meeting on May 14.

Representatives of the eleven branches in the district gathered at the Fenelon Falls United Church to mark the 85th anniversary of the founding of the district organization.

The Women's Institute (WI) began as an organization of rural women in Stoney Creek in 1897. News of the new institute spread quickly throughout the province and in 1900, several branches were formed in Victoria County.

The WI was especially

active during the two world wars providing relief supplies and donations to various war efforts.

Over the years the organization has continued to support local community efforts, provincial campaigns and through the Associated Country Women of the World, has supported many projects in developing countries.

Mrs. Sears joined the Minden branch of WI in 1949. She has served two terms as Branch President and also served as District President for two years.

Presently she is acting as Secretary and Convener for the second time.

In addition to her duties in the Minden branch, Mrs. Sears is a member of the provincial Federated Board which serves over 25,000 members across Ontario.

Jeanne Sears of Minden has been honoured for her years of dedicated service to the Women's Institute. The group recently awarded a District life membership to Mrs. Sears at the 85th anniversary celebrations held in Fenelon Falls.

Highlands featured in publications

The Haliburton Highlands has been getting some interesting and different press lately. Two such items were brought to our attention in the past couple of weeks.

The first was the inclusion of this area in the travel guide of Canada prepared by the Michelin Tire Company. The guide describes the Highlands this way.

"Wooded hills and lovely lakes have made the Haliburton Highlands of Central Ontario a popular resort area. The small towns of Minden and Haliburton are the chief centres. One popular activity is canoeing because many of the lakes are inter-connected and the rivers flow south to the Kawartha Lakes. To the north, is Algonquin Park, an impressive wilderness famous for having inspired the painter Tom Thomson and for its web of canoe routes.

The guidebook also describes the Kanawa International Canoe Museum:

"In Camp Kandalore, 32 km - 20 miles north of Minden by Highway 35. Open daily mid April - October, 9:30 a.m. - 5:00 p.m.: \$2.00 Phone 705,489-2644.

A series of log buildings

houses this fascinating and comprehensive collection of about six hundred canoes of all types and construction from all over the continent. There are examples of the different craft used by the various Indian tribes - west coast dugouts, Inuit kayaks, Kutenai canoe from Central British Columbia, Mandan Bull boat used by the Prairie Indians to cross rivers etc. There is a replica of a 28 foot long canot du nord developed by the early fur traders, and several finely crafted canoes made by immigrant artisans. There is even a Reed boat from Lake Titicaca in Peru, a small version of the vessel used by Thor Heyerdahl on his Ra II expedition."

The second publication to carry a reference to this area was one entitled Blood Horse. The magazine is popular with horse breeders and racers. The publication featured a brief write-up on the horse Silent Screen, owned by Don Finn and Gary Vasey. It notes that Silent Screen was a recent winner of \$50,000 in the Jammed Lovely Stakes at Greenwood and points out that Silent Screen has earned some \$514,388 running as a two year old.

Also featured in the article was a sketch of the horse and the two owners.

NOTICE (FILE 3-85)

IN THE MATTER OF the Municipal Act; and
IN THE MATTER OF a proposed By-law of
the Corporation of the Townships of Anson,
Hindon and Minden to stop up, close and
convey to the adjoining landowner part of the
original allowance for road along the shore of
Horseshoe Lake in front of Lot 12, Concession
5, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to
Section 301 (1) of the Municipal Act, R.S.O.
1980, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden at its regular meeting to be held in the Municipal Council Chambers, Milne Street, Minden, Ontario, on Thursday, August 29, 1985, at 7:30 p.m., proposes to consider and, if deemed advisable, to pass a By-law to stop up, close and convey the above-noted portion of original allowance for road more particularly described as follows: -

Part of the original allowance for road along the shore of Horseshoe Lake in front of Lot 12, Concession 5, Township of Minden, designated as Part 3 on a plan of survey by Bishop & Wilson Ltd., O.L.S., dated January 28, 1985.

AND FURTHER TAKE NOTICE that before passing the said By-law at the meeting to be held at the time and place mentioned, the Council shall then and there hear in person or by his Counsel, Solicitor or Agent any person who claims that his land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at Minden this 30th day of July, 1985.

(Ms.) Beverley Anne Millar,
Clerk-Treasurer,
Townships of Anson, Hindon & Minden,
P.O. Box 98,
Minden, Ontario.

Six injured in two car crash

Six people were injured following a two car accident August 11 in Dysart Township. The mishap occurred on the Donald Road.

John Poyner, 21, of Dysart, was eastbound on the road when his vehicle collided with one being driven by Douglas Morris,

32, of Toronto. The collision occurred on a curve.

The Poyner car continued past the point of contact and entered the south ditch where it sustained major damages. The second car had \$1000 in damages.

Injured in the mishap were John Poyner, who was treated then released from

hospital; Dawn, McQuade, 16 of Omemee; Stephanie Barry, aged 16 of Haliburton, both were admitted to Haliburton hospital; Cindy Sedore, 14 of Haliburton; Kate Morris, 4, of Toronto and Andrew Morris, aged five months, all treated and released from Haliburton Hospital.

Poyner has been charged by the OPP with failing to share half the roadway.

The investigating officer was Constable Wayne Smith.

Boating accident

A youngster escaped serious injury following a boating mishap Thursday afternoon.

According to police, seven year old Christopher Auger of Oakville was floating near the shore of Kushog Lake when a boat towing a water skier approached at a rapid rate. The youth's sister pushed him backward out of the way of the oncoming craft avoiding a potentially serious situation. That action, plus the fact the driver of the boat had cut his engine and swerved at the last moment, helped to reduce the seriousness of the incident.

The youth's foot was badly gashed by the

collision, but according to the police, the incident could have been more serious. Auger was taken to Minden hospital by ambulance and later transferred to Ross Memorial Hospital in Lindsay for treatment.

Paul VanHatten, 38, of Willowdale, the operator of the boat, has been charged with dangerous operation of a vessel.

The investigating officer was Constable Mike Legge.

Criminal record

An Ontario Provincial Police spokesman, Constable Gary Chapman, has warned that youths are risking their future by participating in what may seem to be harmless "pranks." He cites the theft of lawn ornaments or road signs as activities which increase during the summer months.

"It is too bad so many young people acquire a criminal record for theft of something as foolish as stealing an object, just to impress their peers," he said. The constable pointed out a criminal record can affect their future job prospects, the ability to travel outside the country and other aspects of their future. "It's just not worth it," Chapman commented.

Managing pasture seminar topic

- Ag report -

"Managing Pastures to get the Maximum Production of Grass and Beef" is the theme for a pasture management program to be held on Tuesday, August 20 at the Victoria County Community Pasture at Hartley.

Every farmer who is pasturing beef cattle will find something of interest at this pasture management program.

The program will commence at 11:30 a.m. with informal tours of the main facilities on the community pasture, including handling facilities, fencing systems and watering procedures, as well as a chance to review some of the cattle being pastured this summer.

At the same time, exhibits from various implant and fly tag distributors will be set up with company reps on hand to discuss their product.

A sandwich lunch will be available at noon, provided by the Hartley U.C.W.

A formal program will start at 1:00 p.m., consisting of short presentations followed by a wagon tour. Included in the presentations will be discussions on

New Zealand style electric fencing with Grant Bennett; fly control with fly tags with Paul Schmidt; handling facilities on pasture with Nancy Noecker; effective watering of pasture cattle with John Field; and species of pasture plants with Jack Winch.

The wagon tours of several ranches will be designed to show the practical application of these management ideas and systems on the community pasture this year.

The informal tours of the facilities and viewing of exhibits can continue after the formal part of the program.

The Victoria County Community Pasture is located east of Hartley, or south of Glenarm or north of Cambray to Islay Corners and then west.

Everyone is welcome at this program. The Ontario County Cattlemen's Assoc. are planning a car tour to include this event, and several car loads are expected from other counties in the area, as well as from other Community Pastures in southern Ontario.

ANDY POLDAAS

286-2952

Father George Elliott of St. Paul's Anglican Church accepts a donation of \$1000 to the church building fund from youngsters of the Minden Nursery Play group. Presenting the cheque were, from the left, Adam Payne, Amanda Payne, Megan Sisson and Christina Cox. The funds were raised through the sale of raffle tickets and the draw was held July 31. Winner of the first prize a weekend for two at Hart Lodge was Larry Anderson. Second prize, a gas barbecue went to Cathy Arbour while third prize, a \$50 food voucher went to Craig Crowe.

Road blocks follow robbery

Motorists travelling the Haliburton Highlands had an unexpected surprise on Thursday afternoon.

Traffic was stopped on all highways leading into the Highlands by the Ontario Provincial Police. Licence numbers of all vehicles were recorded and after a cursory inspection, drivers were told they could proceed and were thanked for stopping by constables manning the checkpoints.

According to the Minden detachment of the OPP, the roadblocks were set up following a bank robbery in Tamworth, a village northwest of Kingston.

Apparently three men wearing business suits, knocked on the door of the bank before 10 a.m. and told the bank employees that they were OPP detectives who had been tipped off that the bank was going to be robbed that morning.

They asked to be let in to the vault in order to hide from the would-be bandits,

but when the vault was opened, the men announced that, in fact, they were the bank robbers.

After looting the vault of its cash contents, they locked the employees in the safe.

When the bank employees

failed to answer the telephone calls from another bank, the OPP were alerted and the robbery discovered.

In spite of the roadblocks throughout the county and other areas in the province, the thieves have not been apprehended.

Summer newsletter ready

by Donna Bailey

Our summer newsletter is now ready for you to pick up. It is free of charge to anyone and available at the Home Support office or the Drop-in Centre located in the Drag River Municipal office opposite Emmerson Lumber.

Our editorial staff of Dorothy Robertson (who is also the newsletter typist), Margaret Horsley and Gladys Reid have done a wonderful job of collecting information of interest to Seniors and Disabled Persons around the County. We hope that you enjoy it.

Transportation is an important service that is provided by volunteers to seniors and disabled persons at a low rate. If you require this service to go shopping, to go to the doctor's or to visit someone either locally or at a distance please contact our office.

Carl Doey, our transportation convenor, or Bob Hollobon, our co-convenor for Haliburton and area or Marjorie Sillars in Cardiff will do their best to arrange transportation for you to and from your destination.

We are always in need of transportation drivers. Regardless of your age, if you would like to volunteer to help or would like more information please contact the office at 457-2941 any weekday. To anyone who is already on our program and have not returned their forms please do so as soon as possible.

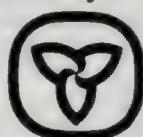

If you are a senior or disabled person and would like more information about our services or if you require any of them, please contact our office any weekday between 10 a.m. and 4 p.m.

TIMBER SALE

Tenders will be received by the Ministry of Natural Resources up to and including Tuesday, September 3, 1985 at 12:00 noon for the right to cut the timber on part of Lots 2, 3, 4 and 5, Con. XIV, Hindon Township, County of Haliburton. Timber Sale Area #4/85 contains an estimated 700 cubic metres of Sawlogs and 2200 cubic metres of Fuelwood.

Further particulars and tender forms may be obtained from the Director, Leslie M. Frost Natural Resources Centre, Dorset, Ontario, POA 1E0. Telephone (705) 766-2541.

Highest or any tender not necessarily accepted.

CORPORATION OF THE TOWNSHIP OF STANHOPE

PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope proposes to enact a by-law to stop-up, close and convey to the abutting property owner, that part of the original allowance for road set out and described as follows:

FIRSTLY: All and Singular that certain parcel or tract of land and premises situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of part of the original allowance for road along the shore of Boshkung Lake, lying in front of part of Lot 12 Concession V and being more particularly described as Part 1 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 3323.

A COPY OF THE PLAN OF SURVEY as noted may be viewed at the Township of Stanhope Municipal Office during normal working hours.

THE PROPOSED BYLAW will come before the said Council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope on the 11th day of September, 1985 at the hour of 11:30 a.m., and at that time, the Council will hear in person or by his Counsel, Solicitor or Agent, any person who claims that his land will be prejudicially affected and who applied to be heard.

DATED: July 30, 1985.

Gerald C. Bain, A.M.C.T.,
Clerk of the Corporation of the
Township of Stanhope, R.R. #1,
Haliburton, Ontario. KOM 1S0

50 years celebrated

Harold and Ruth Thompson were honoured recently on the occasion of their 50th wedding anniversary with celebrations in two communities.

On Sunday, July 28 the couple attended a party at Singing Waters, a Christian Retreat in the Hockley Valley north of Orangeville. Over 100 friends and relatives gathered to celebrate the occasion.

The Thompsons were married in Orangeville, Ruth's hometown, in 1935 and lived there for some years. Harold was a teacher in the public school and Ruth worked as a nurse in the Orangeville Hospital.

Since their retirement the Thompsons have lived in Lutterworth Estates and have conducted religious

services at Hyland Crest Senior Citizen's Home in Minden.

On Wednesday, July 31, neighbours, friends and residents of Hyland Crest gathered at the Senior Citizen's Home to honour the couple on the occasion of their anniversary.

The Thompsons were presented with an afghan created by residents of Hyland Crest in appreciation for their contributions to the Sunday Services.

Ruth and Harold Thompson after fifty golden years.

The couple expressed their warm appreciation to those who attended the celebration with special thanks

to Jean Bowron, Dorothy Walker, Linda Bunker and Marg Miller for a beautifully arranged party.

Mental health services project begins in Haliburton area

The Canadian Mental Health Association/Peterborough is supervising a project on mental health services in the Haliburton, Kawartha and Pine Ridge District. The survey of volunteer psychiatric patients will provide CMHA and other agencies with valuable information on how people feel about the services they receive. The work is being performed by two university students on a Student Employment/Experience Development grant (S.E.E.D.).

"The survey is the first step in getting an idea of what services are needed by people who are moving back into the community from an in-patient setting," said Michael Theall, one of the two students working on the project. Michael and his co-worker, Catherine Hoyt, will be spending the next two months collecting and then reporting on the information they gather.

"We are trying to get as many opinions from as many current and previous users of psychiatric facilities as we can," Catherine Hoyt reported. "We will be travelling around the whole district, from Haliburton to Colborne and beyond, interviewing psychiatric service

users on issues such as housing, vocational and educational programs, financial problems, employment, social/recreational issues and therapy."

CMHA/Peterborough is committed to promoting the best possible care for the mentally ill and emotionally disabled. Along with many speakers and educational activities, they provide a bus service to Kingston for friends and relatives of in-patients, and run a transi-

tion home and two group homes for individuals moving back into the community after in-patient treatment. They sponsor projects like the opinion sampling which is currently being performed. If you are or know someone who is or has been - a psychiatric patient and are interested in helping CMHA/Peterborough with the study, please contact: CMHA/Peterborough Office: 705-748-6711.

Trip planned for seniors in September

by Katherine Hodgson
McMahon

Haliburton County Home Support Services Drop-In Centre would like to announce a bus trip to Stratford, Ontario, September 27 to 29. The function of being Activities Programmer is to take ideas suggested by any Older Adults in the County and make them happen using volunteers to actually run the programs. The trip to Stratford is one of these ideas.

Itinerary for trip

September 27: We will depart from Haliburton to drive to Stratford, home of the world-famous Stratford Festival. A stop will be made enroute for lunch and coffee. Approximate arrival time in Stratford is scheduled for 3:00 p.m. After checking into the Victorian Inn, there will be free time to freshen up before having a delicious buffet dinner in the hotel. The evening is free to explore this quaint town.

September 28: Following breakfast the morning may be spent shopping at several of the shopping centres and art galleries located in downtown Stratford. A chicken lunch will be served at the Jester Arms, before

going to the Avon Theatre to see "She Stoops to Conquer". Following the play, we will be taken back to the hotel to freshen up and relax before going to "Daniels" for dinner.

September 29: Before checking out of the hotel, breakfast will be served followed by a guided tour of the Leslie Cheese House gives us a good look on the process of making cheese. Lunch will be served at the hotel before going to the Festival Theatre to see

"Government Inspector". After seeing the play, we will depart for the drive back to Haliburton, stopping for dinner enroute. Approximate arrival time in Haliburton is scheduled for 10:00 p.m.

All details and arrangements must be confirmed by August 30. If you are interested or have any inquiries about the trip, please contact Katherine at the Drop-In Centre, 457-2171. We look forward to hearing from you.

FIRST PUBLIC NOTICE RAVEN LAKE DAM REPLACEMENT

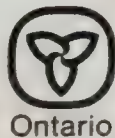

The Ministry of Natural Resources is proposing to replace the Raven Lake Dam which is located on Lot 14 in Concession "A" of Sherborne Township. This dam serves to control water levels for transportation, fisheries management, recreational use and flood reduction. Its condition is deteriorating and replacement will be necessary in the future.

The project will involve two steps: (1) Use of the existing dam as a coffer dam while the new dam is being constructed downstream and (2) removal of the old dam. Replacement of the dam is proposed in accordance with the approved Ministry of Natural Resources class environmental assessment for dams and dykes. Such an assessment is intended to give interested and affected parties the opportunity to provide input into the planning of such a project, and to request, if necessary, individual treatment under the environmental assessment act.

The environmental assessment is available for public viewing at the Frost Centre's Lands Office weekdays (8 a.m. - 5 p.m.) until Sept. 3, 1985. Public comments are invited before this date. After this, the environmental assessment will be redrafted in light of expressed concerns. A newsletter highlighting these concerns and action to be taken will then be distributed to individuals who respond to this notice and those directly affected. They will also receive the final notice when construction dates have been set.

This is the first public notice to be sent. Copies have been mailed to cottagers on Raven and Wren Lakes, and to affected private and government groups. Copies have also been posted at the Raven Lake access point and will appear in Huntsville, Minden and Bracebridge newspapers.

around the county town

Call 286-1288 — 9 a.m. - 4 p.m.

Visiting Mrs. Gilbank at Hyland Crest on the occasion of her 95th birthday were her granddaughters Joan and husband Scott McDonald, Nancy and husband Harvey Rentner, great grandson Danny Rentner and his wife Paula and great great grandson Andrew Rentner and great granddaughter Christine McDonald, all of Brampton.

Recent visitors from Alton with Cliff and Jean Lacey were Cliff and Darlene Bricker with their children Shianne and Ashlynn.

Winners at Club 35 euchre party this week were most lone hands - Jerry Mitchell, high lady - Betty Campbell, high man - Percy Cowling. The door prize went to Eleanor Ferris while other winners were Hazel Gregory, Emerson Gallagher and Cathy Garber.

A recent donation to the Agnes Jamieson Gallery in Minden was a painting by Dr. Vaughan. The donation was made by Mr. and Mrs. Richard Kirkwood and is now on display at the gallery. The show by Rob Revesz finishes this Saturday and an exciting new exhibition of wildlife begins August 24. During the Sidewalk Sale on Saturday some gallery members were displaying wares and these items are still available for purchase at the Gallery or at their booth at the Haliburton County Fair this coming weekend. Memberships to the gallery may also be purchased at the

fair or the gallery. We are also informed that the winner of the beautiful picnic basket from the Agnes Jamieson Gallery was Mrs. Frances Adamson of R.R. 1, Minden.

Birthday wishes to the following Hyland Crest residents who have special days this month. Isabella Avery 16th, Violet Thornett 16th, Eliza Chalmers 19th and Edna Cowan 25th. Many happy returns to all of you and many, many more.

Mr. and Mrs. Paul Warburton and boys of Scarborough spent last week with relatives and friends in the Minden area.

Museum card party winners from last Thursday - most lone hands Jack Weekes while others were Florence Dollo, Florence Schlosser, Bob Mitchell and Sid Rowe.

Visiting with Florence and Phil Robinson recently was their son Bradley from Toronto. They celebrated Phil's birthday and visited with Janice and Jack Shaw for a family meal.

Congratulations to Dave Burgess on taking first place at Sutton Demolition Derby on Saturday. That's two out of three Dave!

South Lake Trailer park residents held a horseshoe tournament on Saturday and the winners were Dave and Jason Thompson, Art and Dede, Joyce Thompson and Grace Holman. The fun ended with a spaghetti dinner and bingo.

School Days

Laughter and chatter
And hubbub and noise
These are the sounds of the girls
And the boys
Jostling and shoving
And making sly passes
At other kids on the way
To their classes.
And no one really adheres to the rule
That all should be quiet
When they are in school.
And sometimes the poor teachers'
Patience wears thin
As they try to be heard
O'er the noise and the din.
Now it is summer
And naught can be heard
The schoolyard is empty
Except for a bird -
But come Fall
The classes will fill up again
With bright eager eyes
For the teachers to train.
For students of Summer
They've had quite enough
Now let us get on
With the serious stuff.

Yvonne

senior league

by Bert Harrison

Dear readers: I'm starting this letter on August the 2nd day to tell you what is happening up our way. Doris has lots of help in the summer days for fun & fitness when Linda is away, Fern Donnelly comes on Friday morning to see the job's done right, also with the help of Chantelle McKnight. Now Milly Wood would be walking on air if she could get out of her wheelchair for she is a new Great grandmother to a great granddaughter.

We had no sing-song Friday afternoon, we had a three hour movie, a real life story. It was a delight - "Tender is the Night". Doris reads to us from four until five, always planning something to keep us occupied.

A very happy event took place up at the Stanhope Community Centre, it was the Harrison family reunion, we were welcomed as soon as we did enter. Some 70 relatives sat down to a pot luck dinner, some a little fatter, others a little thinner. We had a lovely social time together, it was real perfect weather. To the Allcorn family who planned and supervised it all, this was a real nice thing to do, on our behalf we would like to say a big thank you. Also on Saturday which was real fine, Lilly Hogg's family came and got her and took her out to dine. Then Saturday night to call on me was my nephew Donald Wink and his wife Pat, I was pleased about that.

Barbara Carpenter is happy, she has a right to be, she has a new grandson whose first name is Mathew.

A real interesting service in the Chapel Sunday night, everything seemed to go just fine. We had Rev. Burgess back with us after undergoing surgery and resting for quite sometime, also glad to have Mary Burgess back again for she just had to stay with Rev. Burgess's mother while John was away in the service. Sunday night Pastor Robert Thompson took an active part, led us in prayer, sang two numbers and ending with How Great Thou Art.

This being a long holiday many relatives have come to call. Just who is hard to know of them all. I had the pleasure to meet Mary Oliver's brother Bill who was here about to visit his sister and wheel her all about.

Tuesday morning Rev. George Elliott of St. Paul's Anglican church conducted a very impressive communion service in the chapel this 7th of August day and our own Doris Robertson the music she did play. We watched movies Tuesday afternoon which were really grand, "The Best Fiddler" and "The Beautiful Learned Land". We welcome Linda English back from two weeks holidays, we really

miss our girls when they are away.

Wednesday morning Doris said all residents who would like some pleasure to gain, we will take you in the Hyland Bus to Orillia Provincial Park where you will see the statue of Champlain. The kitchen staff packed us a real good lunch, which they always willingly do, we had plenty of volunteers. Harry and Jean Cowan took good care of Mrs. Gilbank, and they also brought a lovely basket of fruit, from us we give them our thanks. Harry was a good helper in many different ways, Linda came along too with Chantelle McKnight to look after the ladies and to see that all went right. Last but not least came Dale English to keep us men content - if we wanted to go to the bathroom he made sure we went. Our bus was working better than it had in years, we could hear no sounds when Doris changed the gears. Then some of the residents pulled up their socks and

went in to see the lovely home of Stephen Leacock. We all enjoyed the day, it was a real treat. We just arrived home in time to get cleaned up and sit down to eat.

It is good to have Edna Cowan back with us again, she has been visiting around her son Dave brought her back all the way from Parry Sound.

Edith Welch's son Gerald and wife have been visiting in Minden for quite some

time now, taking his mother and aunt Caroline out to dine. The tea party was served by the ladies of Harcourt Community Centre, along with their minister Pastor Hewes, now he was real good he led the children in the sing-a-long while the ladies served the delicious food, it was a real social time enjoyed by all, we look forward when you come again to call. Our youthful Bingo callers came again Thursday night, Sheldon Stevenson to call the bingo numbers, Erin and Chantelle McKnight did the job just right, some of the players had good luck and really did all right.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun!

Q: Why can't it rain for two days straight?

A: Because there is always a night in between.

Q: How do sailors get their clothes clean?

A: They throw them overboard and they are washed ashore.

Q: What's the best way to prevent infection caused by biting insects?

A: Don't bite it.

Gloves were a prerequisite at the winter meetings of County Council

The County of Haliburton was established as a Provincial County by Act of Parliament in 1874 - 'Provisional' because there was insufficient population and assessment to be in a position to provide all the services required as criteria for a county, such as a Court House with judicial officials and a jail.

Incorporation was required to be eligible for floating a debenture to finance the extension of the Victoria Railway into the Haliburton area for the promotion of development. The railway was constructed to the hamlet of Haliburton, Minden was named the County Seat where the Registry Office and County Administration offices are located.

The Provisional County was created from 20 townships of Peterborough County and 3 townships from Victoria. There have been many realignments of these townships within the County which now comprises ten municipalities.

At present the nineteen County Councillors are the Reeve of Bicroft, and the Reeves and Deputy Reeves of the rest of the municipalities which have the qualifying minimum population. At the inaugural session of County Council in December each year, one of the County Councillors is elected Warden - as highest political office within the County.

Direct responsibilities of County Council include the County road system, Hyland Crest Senior Citizens' Home, Land Division Committee, Haliburton County Public Library and matters of concern or of benefit to all municipalities within its boundaries under classifications of General Administration, Protection to Persons and Property, Conservation of Health, Social and Family Services, Recreation and Cultural Services, Planning and Development. Services are provided for ratepayers through joint responsibility with neighbouring areas by the Haliburton, Kawartha, Pine Ridge District Health Unit, the Kawartha - Haliburton Children's Aid Society and Children's Services. The Registry Office for the County is administered under the Ministry of Consumer and Commercial Relations.

Responsibilities have varied slightly over the years, but seem to have involved the same concerns. At the first meeting of the Provisional County on June 18, 1874 By-law Number 1 appointed S. S. Peck as County Clerk and Treasurer. Minutes reported on lands in the townships of Snowdon, Minden, Dysart, Lutterworth and Anson being equalized at \$2.50 an acre; lands in the Township of Stanhope and in Glamorgan, Monmouth, Cardiff, Dudley, Harcourt, Guilford, Harburn, Bruton and Hindon at \$1.00 per acre. Other matters of particular importance dealt with at that first meeting were consideration of applications for the office of Public School Inspector and a By-law for appointing sub-treasurers of school monies.

Six Reeves attended that first meeting - A. Niven, Esq. of the United Townships of Dysart, Dudley, Harcourt, Guilford, Harburn and Bruton; James Langton, Esq. of the Township of Minden; William Hartle, Esq. of the United Townships of Lutterworth, Anson, and Hindon; Philip Harding, Esq. of the United Townships of Glamorgan, Monmouth and Cardiff; John R. Calvert, Esq. of Snowdon; and Joseph Beatty, Esq. of Stanhope. Alexander Niven was elected first Warden.

The meeting was held in the Town Hall in Minden and subsequent meetings were held in the hall over the Post Office in Minden, until December 8th, 1874 when Council met in the new County Council Chambers, for which furniture was purchased from Wm. Hughes for \$21.50. The box stove heating system may have been less than adequate, since there are reports of councillors removing their gloves just long enough to sign motions during the cold months.

The two-storey structure was on the same site as the present County Building on the corner of Newcastle and St. Germaine Streets and remained in use until demolished and replaced with the brick and stone building. The lower level of which housed the Ontario Provincial Police

and the upper floor for the Clerk and Treasurer and County Council. The Building Committee appointed by County Council at that time, including Reginald Booth, Chairman, and Clayton Rogers and William Hounsell. The building was officially opened by our Victoria - Haliburton Provincial member, Ontario Premier the Hon. Leslie M. Frost.

The building was vacated by the Ontario Provincial Police when they moved to their new premises in the summer of 1971. Steel walls were removed from the downstairs cells and offices were renovated. The Clerk moved to the downstairs front office and occupied the building alone until late fall when the County Engineer and staff were appointed for the County Roads System which commenced that year.

The old Court Room became the County Council Chambers. The first meeting in the new Chambers on September 15, 1971 was a welcome change from huddling around one table in the upstairs office. County Council decreed at that time, that there would be no smoking in the Chambers. The County had waited for some twenty years for bona fide Council Chambers and were not about to have the walls smoked up or burn holes in the rug. That edict remains in force to this day.

In 1981 Warden Murray Fearrey, proposed that County Council might investigate the merits of removing the 'Provisional' status. County Council indicated by resolution, a commitment to pursue the aspects of a change in status and all initiative for the change came from the County, with the Province only assisting and co-operating upon request.

1982 Warden, Ron Gambell, continued the challenge with the resultant introduction to Legislature by Minister of Municipal Affairs and Housing, the Honourable Claude Bennett of Bill 191 - "To Provide for the Continuation of the Provisional County of Haliburton as the County of Haliburton." Bill 191 was given second reading on December 16th, 1982 as recorded in Hansard and with County representation at the Legislature, followed by third reading on December 21st, 1982, and the County of Haliburton Act 1982 came into force on the first day of January 1983.

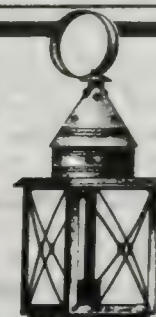

During the transition the Improvement District of Bicroft elected to become a full township. Mr. William G. Howe, who had been Chairman of the Improvement District, was elected the first Reeve of the Township of Bicroft and was then elected first Warden of the full County of Haliburton for the year 1983.

It is appropriate during the 125th Anniversary of the County Seat of Minden, in 1984 that Minden's Reeve, Lyle McKnight was honoured by being elected Warden of the County of Haliburton.

The present Warden is Dalton McDonald, Reeve of the municipality of Sherbourne et al.

Supplementary feed

- Ag report -

Heifers on pasture should receive supplementary feedings of forage and concentrate beginning in August. The estimated value of pasture in the total ration might be considered 50% in August and gradually reduced to zero by the first of October. Removing heifers by this time is justified twofold.

1) It gives the pasture an opportunity to build up nutrient reserves to withstand winter and produce good growth next spring and

2) It minimizes the chances that heifers will experience a slump in average daily gains which can lead to poor conception rates and older ages at first calving.

Placing heifers on pasture in early spring and removing them in early fall reaps the benefits a pasturing system has to offer. Pastured heifers can compete in gains with those kept in a dry lot and fed stored feeds. The exception will be heifers 6-12 months of age. Heifers falling in this category will make more uniform growth on dry lot feeding of forages (i.e. hay, or hay and silage) plus concentrate. On a well managed pasture, the daily rate of gain will drop by about 50% in August without supplementary feeding. In September, average daily gains will equal 50% of the August gain if you continue to not provide extra feed. You can regard gains on October pastures as being virtually non-existent.

Throughout the pasturing season, ensure that a continuous, fresh supply of water, salt and minerals (i.e. usually a 1:1 commercial mineral will suffice) are available at all times. In August, hay, haylage or corn silage can be fed alone or in combination to supplement your pasture. At the same time, feed from 1-2 kg of a grain ration (i.e. 16% crude protein/70 to 72% TDN) per head per day. To ensure that your heifers eat this supplementary feed, you may find it necessary to lock them in a yard of a dry lot with access to a feed bunk for several hours each day.

When moving heifers off pasture this fall, prevent undue stress through the winter months from parasites by treating heifers for warbles and lice. Worm treatment may also be warranted in situations

where a pasture has been in use two or more seasons.

F.O.C.A.P.

Interest payments on operating loans continue to be a major expense on many farms. The Ontario Farm Operating Credit Assistance Program is designed to help reduce that expense for eligible farmers.

Farmers who have been 10 and 60% equity at current market values in their farm operation; who produced at least \$12,000 of food products in the past 12 months; and who have a farm plan which demonstrates financial viability, should consider applying for this assistance.

The program provides interest reduction grants and if necessary, operating credit guarantees.

The interest reduction grant is a maximum 5 percent rebate on the highest authorized floating rate loans that the farmer had with the bank in the previous accounting period. The rebate will not reduce the interest rate below 9 3/4 percent. At present interest rates that could give a rebate of 1 1/4 to 2 1/2 percent.

Eligible farmers should discuss this financial assistance program with their bank manager, or contact your County Agricultural Office for more details.

Red meat update

Several recent changes in the red meat program affect the beef stocker-slaughter and sheep participants, making both of these programs more attractive to producers.

In the stocker-slaughter program, the weighing grants have been increased to \$5.00 per weight and this is retroactive to April 1, 1985. The annual maximum grant remains at \$750.00.

Now only 2 weights per animal will be eligible for a grant. This is an "arrival weight" which must be taken anytime between the day an animal arrives at the feedlot and within 30 days after arrival.

The second weight, called the "performance check" weight, must be taken at least 30 days after the arrival weight and not later than the day the animals leave the feedlot.

Both these weights must be taken and of the same animal, before a grant will be paid.

It is now possible for truck load weights or sale barns weights to be eligible

provided they are recorded on the dates the animals arrive at, or leave the feedlot.

Participants in the stocker-slaughter program who have not received any capital facilities grants under the cow-calf develop-

ment program, are now eligible for a special grant to purchase livestock scales. This grant covers 2/3 of the cost of the scales up to a maximum of \$2500 and is in addition to the original \$1500 capital facility grant.

The major change for

sheep producers is an increase in the weighing grants to \$3.00 per weight, if the weights were supervised. Again this change is retroactive to April 1, 1985.

The grant for un-supervised lamb weights

continues to be \$1.00 per weight.

In addition the list of sheep products which may be claimed under the flock health program has been clarified.

Be part of an active community when you retire.

Be a part of Lutterworth Estates.

CARD OF THANKS

room, Gambell's, Case Real Estate, Vasey's Insurance, Stedman's, Minden Shell, Minden Collision, A & J Rennie Office Equipment. Our sincere thanks to everyone who in any way helped to make this year's show the great success it was. A very special thank you to all the young people from the community who took part in the opening ceremonies. It was just great!

The Minden Red Cross Branch is most grateful to all the volunteers who made our Bazaar so successful. The many hours spent by the ladies in the area on the beautiful handwork and the assistance of the men who helped us set up our display was most sincerely appreciated.

& Domestic

CARD OF THANKS

The Stanhope Firefighters Association would like to thank all the people and organizations who helped at the fire on August 8 at Halls Lake. There were too many to name individually, and again many thanks to all. Anyone holding tickets purchased at the Halls Lake Cafe for our Satellite Dish draw, note that the brigade will honour their purchase. Call 489-2004 for more information. 8B

Congratulations Wilberforce on a great fair. A job well done.
